WAVE BYE-BYE!

Photographer plays chicken with big salty bastard

THE bloke in the photo who looks like he's about to be gang-tackled by the ocean on Oahu's North Shore in Hawaii is surf photographer Clarke Little.

The man TAKING the photo was his buddy Tharin, who also faced gnarly pulverisation by saltwater.

But that doesn't worry these guys, because, they say, they've been doing it since they were young. So presumably all the sense has been pounded out of them by now.

"I've had nicks in the head and face from the camera, some stitches to close the deepest wounds, a dislocated shoulder... lots of cuts, scrapes and bruises," says Little.

"Once I felt close to drowning. I was held under for too long and started blacking out."

Sounds like a BARREL of laughs! (That's a joke for you surfers out there.)

Having never been smashed in the face with a building-sized bucket of water, we can't say what it would actually feel like, but drawing on past experience of huge, wet things, it's probably a bit like that time our FAT, DRUNK AUNTIE pissed herself while she was sitting in our lap.

And frankly, we'd rather face the wave. Picture

Shay's ANATOMY

Her natural norks will leave you speechless

THE Fukushima nuclear disaster, readers. That's really the ONLY possible explanation for the enormousness of Shay Laren's MAMMOTH BREASTICLES.

You see, Shay's from Hawaii, which is downwind of one of the most horrendous nuclear accidents in recent human history. A nuclear accident that may result in STRANGE ABNORMALITIES for generations yet to come. Abnormalities like these GIANT JUGS.

Are your BLAMPS the best part of your beaut body, Shay?

"My nipples are, but I guess they probably think I hate them

SHAY'S SUPER FUNBAGS!

Shay

because I'm always asking people to bite, pinch and slap them. Hey Nipples! I do it because I love you!"

We heard you've been shooting some stick flicks. How's that going?

"I've only done softcore stuff. I'm not into doing anything further. I really enjoy the masturbation scenes, though I was really nervous when I started off."

Are you really having a good time or are you faking?

"Seriously, 90 per cent of the time I orgasm from doing those scenes. Sometimes I get distracted, but most of the time it's for real."

Your wildest rooting experience was...

"With three other girls in a penthouse. We had double-

“MY NIPPLES ARE MY BEST BIT”

ended dildos and that's all I'll say about that."

Have you got any fantasies that we should know about?

"I've never been with two men, but it's not a big deal to me. Just something in the back of my head that I may try out one day."

What's the best way for a guy to pick you up?

"It's pretty simple: have a penis and be funny."

Is sex on the first date something you'd consider?

"Sure, who doesn't do that?"

Now you're talking! What's something that we'd never guess about you?

"I lost my virginity in the backseat of a car. And I love to cook."

We'd like a DOUBLE HELPING of you! ■ Picture

ROOT BEER

BEER makes blokes better roots. We always knew it, but now it's been scientifically proven, so we can say it. In her book, *The Married Sex Solution: A Realistic Guide to Saving Your Sex Life*, seppo sex researcher Dr. Kat Van Kirk claims the holy ale is good for a bloke's bonking technique because, a) A coupla beers will delay orgasm so the chick can cum first; b) The iron in dark beers like stouts increases blood circulation to the old fella; c) Beer helps reduce heart disease, so you can go harder; and d) The probiotics and Vitamin B in beer helps your digestion so you'll feel more lively and ready to root.

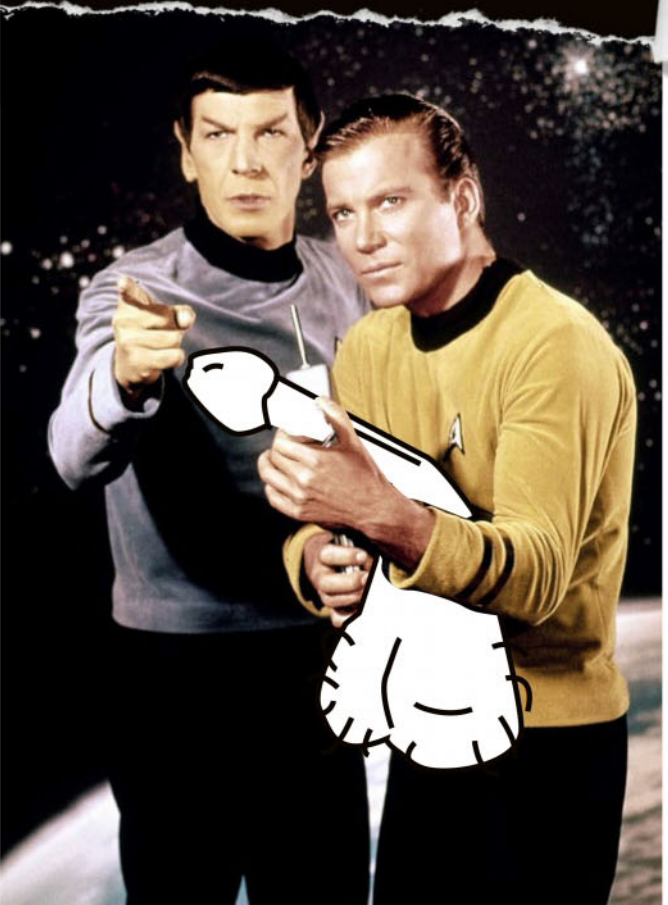
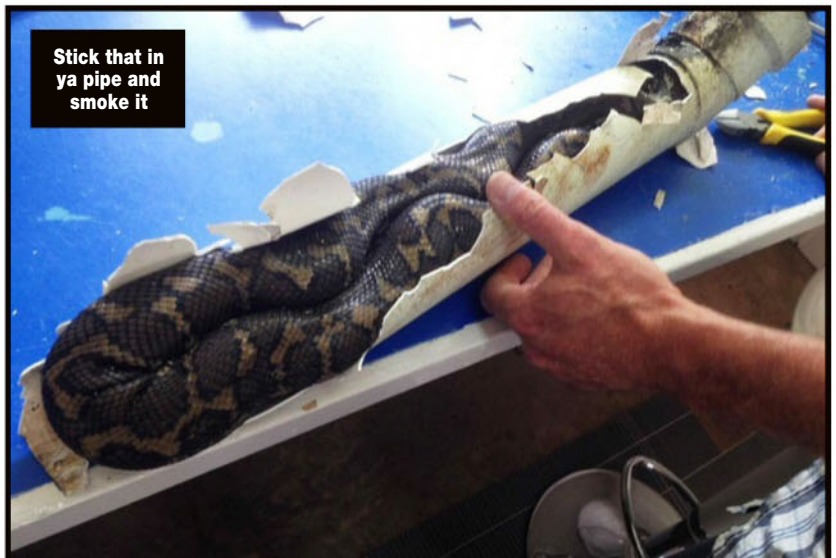
#256 WE DREW A COCK ON IT



UP A DRAIN PIPE

DWAYNE the carpet python, doesn't know how close he came to death. He'd climbed into a downpipe on a poperty in Clunes, northern NSW, for reason known only to him, but when he chucked a U-turn and headed back the way he came in, he got stuck.

Lucky for Dwayne, the plumber sent to unclog the pipe didn't cut him in half, and after they managed to get him out of the pipe the property owner eventually called the Northern Rivers Wildlife Carers to come and nurse the scaly scamp back to health.



STOP FUCKEN PRESS

SHADY DEAL

LOSING his sunnies when he was pissed was never gunna be a problem for this Welsh bloke. He gained a PERMANENT PAIR when he woke up after a mate's buck's night in Blackpool with a pair of Rayban's TATTOOED on his boat-race. "Waking up the morning after, I thought someone had used a permanent marker on my face. I had no memory of getting the tattoo." At first the party boy was gunna keep the tatt, cos he already had a few dodgy ones, but after he was razzed by his mates for how fucken stupid it looked, he opted for a series of laser treatments. Now, after two years of zapping, his drunk shades are about gone. Until the next buck's night...

HE WAS FRAMED!

I SHOULDA PLAYED GOLF INSTEAD

MUDDERFUCK!

MONSTER tides in the Territory around Darwin fucked up these fishos at East Point big time. As soon as they got set, bunged on a bit of factor 30, baited their hooks and unwrapped their sandwiches, the sea fucked off to about half a kay away. Despite constant danger of getting ATE by our pals the man-eating salties, they got out for a bit of a walk. We hope they wiped their shoes off after.

TINNY FULLA TINNIES

Fishing is thirsty work

WHO knows? These blokes might've just been planning a quiet arvo's fishing when Northern Territory cops seized their boat containing 330 cans of VB Bitter and four litres of spirits in the Tiwi Islands. Senior cop Daniel Shean said five people were charged with bringing alcohol into a restricted area. The fact the blokes didn't have any fishing gear or bait was a bit suss, too. But hey, benefit of the doubt, eh.

ROOF RAT

YOU may think this is just a naked sheila on a roof in East London, but it's not. It's art. We know this because the sheila, Poppy Jackson, told us. This is what she had to say about her pretending to be a chimney for two four-hour stints over a couple of days. "(It)...dually presents the female body within a process of claiming space whilst attempting to exist itself as deterritorialised space." See – told ya!

DEAD CLASSY!

Bloke turns tank into corpse carrier

IF YA gunna go into the afterlife – and apparently we all must at some point – then you may as well go with all guns blazing and crushing your immortal foes beneath the treads of your own personal APRES-DEATH WAGON.

"What's that, St Peter? Not letting me into heaven cos I'm wearing trainers? ACKA-ACKA-BLAMMO! Geeeeeeeeet fucked, you cunt."

Pommy Nick Mead is well prepared for any of that sort of post mortem argy bargy after INJECTING the guts of a Ford Granada Hearse into the guts of a FV432 armoured personal carrier to build a tank-hearse. Or hearse-tank, take ya fucken pick.

Nick built it as a final send-off to his old army tank instructor Graham Collins, saying: "I hope we did the old boy proud." Now he rents it out so other ex-tank drivers can go to their rewards in an ARSE-KICKING WAR MACHINE.

"I'd like to think that any army veteran would be honoured to go to his funeral in such a magnificent tank," SOBBED Nick.

They probably would, mate. It also must be very tempting to go for one last ROUT OF THE ENEMY on the way to the boneyard, but with the price of gas these days, it'd probably cost a fortune.

Oh well. Maybe just a wheelie out the front of the chapel, then.

Or indeed, if it's even a matter of free speech when someone is just being a little bit DICKHEADY just because THEY CAN.

Anyway, the halfway-funny-if-you're-a-bit-pissed name was WIDELY LIKED by the trendsetters who dropped in there for their cuppa mud in the morning, and they've all gone SPITTOON-DRINKIN' CRAZY on social media about it.

Seems kind silly, though. It's not like it's a pub. **Picture**

Heroic sickie excuses you'll wish you thought of first

RINGING up work to say you've got a touch of the gastro and can't come in just doesn't cut it anymore.

Even something heart-warming like you have to attend your kid's first court appearance is considered a bit lame these days.

FAKE KIDNAP

Seppo bludger Sheila Eubank claimed she couldn't go to work because a bad fella kidnapped her and drove her around town while he made drug deals. But after she called cops from the boot of her car, and they came and got her, they got suss and a little digging revealed it was all a hoax to get a day off work.

"I KILLED SOMEONE!"

Glasgow school teacher Derek McGlone reckoned it was better to admit to a non-existent killing than spend another day with the brats in his class. Derek called the school to tell them he'd accidentally run over and killed a young girl in his car, and wouldn't be in that day. It was all BULLSHIT.

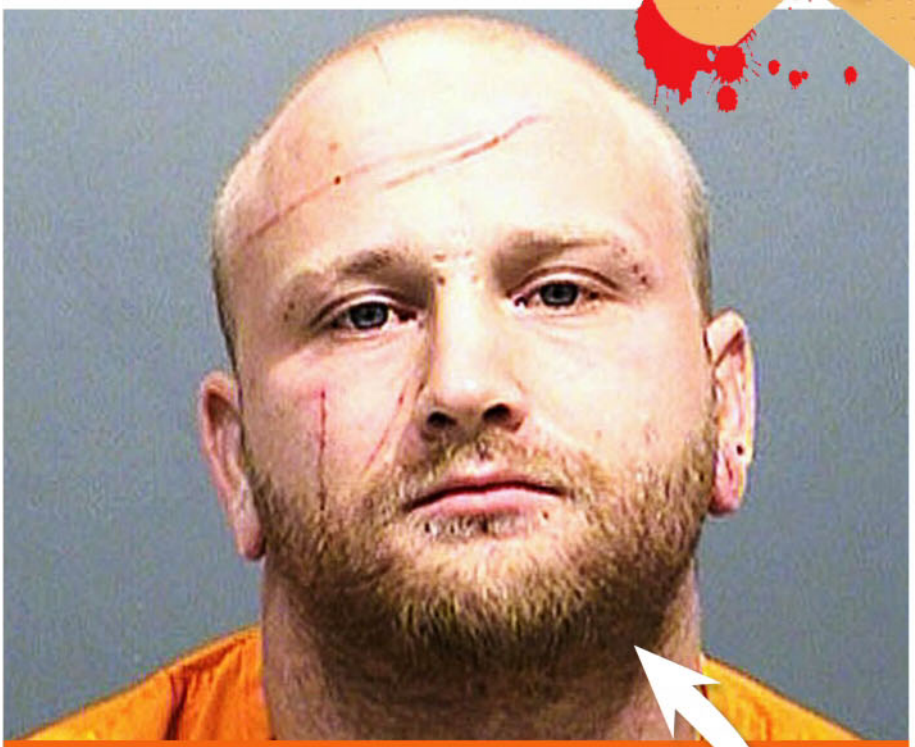
Born March 6,

To make his claim for time off from work for the death of his mother look convincing, 45-year-old Pennsylvania, USA man Scott Bennett even took out an obituary in the local paper for his still-kicking dear old mum. But she read it, and called the paper to say she was still alive. They in turn called the cops, and Scotty was charged with disorderly conduct.

MC-IDIOT!

Scottish hotel cleaner Steve Reid wanted a day off so bad he hacked his own face with a razor blade and bashed himself in the head with a rock before going to the cop shop to report being mugged. But then he stupidly confessed to beating the shit out of himself. He later told the local paper, "Looking back, I should have just phoned work and asked them for the day off." Geez, Steve – do ya think?



BLOCK-BUSTED

Blockbusters clerk Aaron Siebers stabbed himself all over to get some time off work. Having hacked his leg and slashed his face with a butcher's knife, he staggered in to work and told them he'd been mugged, expecting them to send him home for a cuppa tea and a Tim Tam. But instead they called the cops, and the 29-year-old was arrested and charged by Denver police with false reporting.

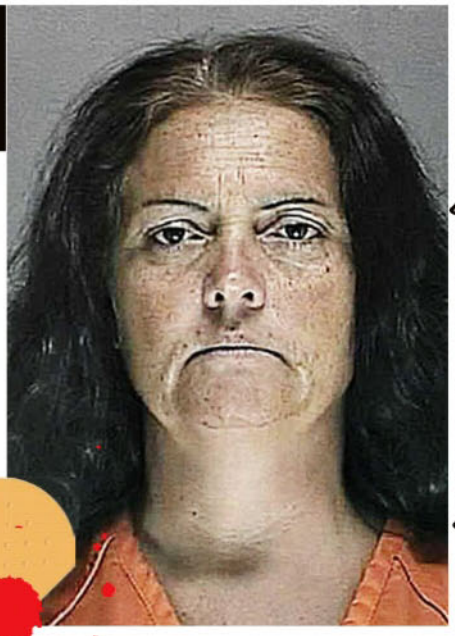
JUST SHOOT ME

Brave bludger Daniel Kuch manned up to be shot in the leg by a mate just so's he wouldn't have to go to work. He told cops he'd been the victim of a drive-by shooting, but they pulled his story apart in about five seconds, and found out it was a stupid plot to a) get out of work and b) avoid an upcoming drug test.

BURNING AMBITION

Seppo shipyard worker Casey Fury set fire to a nuclear submarine just so he could go home and have an ARVO WANK. Case, employed as a sandblaster on the USS Miami while it was in dry dock, deliberately started a blaze that caused $400 million worth of damage – so he could have the rest of the day off. He faces two counts of arson and could end up in jail for life. Hope the wank was worth it, mate!

BOMBED OUT



Latisha Vester didn't fancy another day working at a US electronics plant so she did the logical thing and phoned through a bomb threat. More than 300 people were evacuated from the factory, but after cops traced the call to her home phone and charged her with false reporting of a bomb, Latisha's chances of being made employee of the month aren't lookin' crash hot.

CARL'S GUIDE TO TAKING A SICKIE

G'day. Giz a $50-a-day meal allowance and 250 per cent shift loading for working before midday? Fuck ya then.

If ya gunna chuck a sickie, readers, follow these basic rules and ya can't go wrong

- Get a job. Otherwise no-one will notice if you don't turn up.
- Never do any work. That way, it doesn't make any difference whether you're there, so they won't be too fussed.
- Drop the odd hint that you work for ASIO, so the odd non-appearance can be put down to matters of national security.
- Have your personal assistant call the sickie in for you.
- Never give an excuse. If they think it's because you're saving the world from ISIS, so be it.
- Never, EVER score a hole-in-one on your sickie day round of golf. You might well end up in the local paper, surrounded by grinning idiots. Then your cover will be completely blown.

ANGELA WHITE

Oz's most successful porn export has conquered the world, but she doesn't forget her two best BUDS: "I love showing them off," she says. "They can do tricks like making an entire cock disappear between them during titty sex."

WHAT A HANDFUL!

Oz's finest funbags

ADELE

Adelaide beautician Adele's wonderful NORGARDS sprang up as naturally as BINDIES in a BACK LAWN. The 20-year-old Home Girl is smart enough to recognise a lucky break when she sees it RIGHT UNDER HER NOSE. She has nothing but kind words to say about her chesty pals: "They're nice and soft," she OFFERS.

ELLEY CELESTE

"I don't think there's anything I could wear that would make them look subtle," Perth babe Elley, 22, says of her ALL-natural 10H hooters. "They've definitely scored me a few free drinks over the years. And they're still growing!"

GABRIELLA GRACE

This Melbourne stripper likes the way her lovely JUB-JUBS attract attention. "I like to have my boobies bitten," she claims. "Heaps of guys call me Barbie because I've got the tiny waist, the perfect butt and a big set of tits."

LARISSA

It was just a year ago that we told you the TRAGIC tale of Larissa and her battle to clothe her oversized orbs. "I constantly struggle to buy outfits due to the size of my boobs. But they do make everything I wear look better – when I can get things to fit!" And sometimes they just gotta BUST OUT and go their own way – ain't that right, Larissa?

CLAUDIA ROSE

"I definitely think my big natural breasts are my best asset," says this Melbourne cutie. Beautly, Claudia, 21, likes to share the joy of her YUMMY YO-YOS around. "They like to be touched and played with. There's definitely NO 'hands-off' policy." HUZZAH!

SCARLETT MORGAN

Parading a pair of PLUMP puppies that are the envy of the world, Scar-Mo flies the flag for all top-heavy Australian females. Hers are the tits we dream of when we are far away from home and need reminding why Oz is the best WIDDLE country on earth.

ZARA

The American-born, now-Oz-resident knows when she's being perved on. "When I'm at the gym, that's when I get the most looks, 'cos you're working out and getting hot and sweaty. Guys seem to like that." Too right we do! And what are they perving on most? "My 12DD boobs. They're big for my body, and they're real. I got lucky."

REBEKAH

Sydneysider Rebekah's only 21, but she's found her path in life with her gig as a lingerie waitress. "I get to walk around with my boobs on display, having guys drool over them – it's the perfect job!" she says. "I don't care if guys are obsessed with my tits – I enjoy getting all the compliments."

Not your average shed, then.

HOW LONG IT TOOK TO BUILD: The Man Cave is actually a part of the house, rather than being away from everyone. It's been a work in progress for ten years.

FEATURES: I've got a collection of international beer cans that my mates bring around. We've got a pinball machine, pool table, six-foot blow-up Corona bottle, and a lot of Corona memorabilia, because that's my beer. I've also got a collection of beer tap tops from Australia and overseas.

FAVOURITE FEATURE OF SHED: I have my collection of beer tap tops from around the world. There's also a set of Danny Green's signed boxing gloves.

SHED MOSTLY USED FOR: Purely for entertaining.

BEST THING EVER TO HAPPEN IN SHED: I've got two electric shock machines; one's random, the other is based on quick response. One mate put it on his tongue and then his nipple.

WHY I LOVE MY SHED: I love the fact that you can sit and have a beer and a chat with one mate or thirty. It's a great place to chill, and solve the world's problems.

HIT THE DIRT

BMX has come a long way since a young redhead named Nicole Kidman was the pin-up kid for the sport. Of course, in 1983's *BMX Bandits*, Nic didn't actually do a lot of riding, but you can see how she gave the sport a real kick in the arse. Now, 32 years later, we doubt whether BMX would be where it is today without a certain Aussie ranga's involvement. Actually,we're FUCKEN SURPRISED Nic didn't turn up to watch the action at the Redbull Rampage in Virgin, Utah, USA, where heaps of the top BMXers gathered to do their stuff. A reminder of how TEETH-SHATTERINGLY DANGEROUS it is came when Seppo rider Nicholi Rogatkin, 19, lost his shit and went off the side of a mountain. Turned right when he should've turned left or something. "Everything was going well and then, I came up to the gnarliest drop on my line," he said. 'Unfortunately, my front wheel washed out and sent me flying down a cliff." Despite landing on his face and bleeding heaps, he got up and rode the course again, getting it right this time.

Talking Dirt

100% uncensored sex advice from Australia's hottest stripper!

SHODDY BODY

HEY Trin, I've got some modifications done to me, a few piercings and such. It's mostly for my missus to enjoy, although I get a bit out of it myself. But just recently, I've found that my heart's not really in it anymore. I had quite a bit of work done over the last fifteen years, and now I'd just rather be normal, but that's not really possible anymore. Ever done anything that you regretted?

TIM, BYRON BAY NSW

TRINITY SAYS: ***Mate, I always say to people don't do something for someone unless your heart's also in it. It will only ever lead to regret or resentment. If you're not in it 100 per cent, then let the poor girl go, reverse as much as you can and move on. I don't regret anything; it's a wasted emotion. I take what good I can of any situation and move on.***

PROPOSED PECKER

I HOPE you can help me. I've been having an affair with another woman, pretty much the whole time my husband and I have been married. Now my husband knows about the affair and is fine with it, as long as I don't reveal too much about it. He values discretion. Now the woman I've been seeing the last eight years has been going through rather a lot, and has decided to undergo a female-to-male transition. I am absolutely aghast, as one of the reasons why my hubby was okay with my 'infidelity' was that it was a woman, not a man. Soon, my girlfriend will be a bloke, and I'm not happy about it. Am I being a hypocrite?

JANE, WARRIGAL, VIC

TRINITY SAYS: ***Not at all. You wanted a woman, hence why you were with one for so long. Don't be surprised if this completely changes your relationship with this other person. Good for you that your husband is as cool as he is. Choose one or the other.***

OLD LOVE

TRIN, I had the opportunity recently to sleep with a very old friend of mine from high school, who confessed his undying love. We only caught up as a last-minute thing, and he confessed his feelings and I told him how I felt. Shortly afterwards, we left the pub and went back to where I was staying where we spent the night making love. It felt nice, and it felt 'right', even though I'm married (22 years) and he's been with his girlfriend for 8 years. If I go back to Sydney again, I'm sure it'll be on again. Should I end it with my hubby for a bloke I knew when I was 17? It feels so good, but god, I'm beginning to doubt my sanity.

SAL, BRISBANE, QLD

TRINITY SAYS: ***Hmm, that's a big decision, love, one I wouldn't get into too hastily. Love and lust are two different things, and we all love something fresh and new. I'm not saying test the waters first, but be sure of what you're doing before you throw away twenty-two years of marriage!***

LONELY HEART

I'VE been courting someone for a while, flirty texts, the odd drink. She's younger than me, just – and we get on pretty well. I wonder though if I'm letting myself in for more heartbreak. As with most of the women I've ever been with, she's got a few substance abuse problems, she's got a track record of breaking hearts, and she's probably on her way to breaking mine. Should I? Should I give in and just let go, get there, get my heart broken and go home?

NO IDEA, SEMPLETON, WA

TRINITY SAYS: ***You don't know if you don't try. I suggest being straight up and letting her know your concerns and keep a guard up for a little while before deciding to let go. There's nothing wrong with protecting yourself. You never know – you might be the one for her and things work out. Go for it, mate, you only live once. Better to have loved and lost, than never to have loved at all... or some shit like that.***

FANTA PANTS

TRIN, my mate tried to tell me that you're really a redhead. I said no fucking way. Now we have a bet going and the loser has to mow the other cunt's lawn.

CAM, PENRITH, NSW

TRINITY SAYS: ***Yes, doll, I'm ginger! Anyone who has admired the pages of*** Picture Premium ***would know this. The saying, "The carpet matches the drapes" is very true. I'm a very strawberry blonde and have the red carpet to match. So, you better get ta mowing mate!***

TRINITY'S SEX TIP

Don't pull her hair and spank her without consent – please! Consent and communication is kind of my best go-to advice when it comes to sex. It's the most important thing in life in order to sustain respect.

"WHAT'S THE POINT OF DICK ON TAP IF YOU DON'T USE IT?"

TOUCHY SUBJECT

HOW often do you touch yourself? My missus reckons she's not into it at all. She says most girls don't do it. I think that's fucking bullshit and she just wants to make me feel bad about feeding the chooks all the time. Please help.

DUSTIN, BRISBANE, QLD

TRINITY SAYS: ***Sometimes it's a couple times a days, sometimes none, and sometimes I'll go weeks without it. Depends what mood I'm in. There really are some girls that don't at all. I don't masturbate when I'm in a relationship – I'd rather fuck. What's the point in having dick on tap if you don't use it?***

STRIPPED BACK

WHY do all strippers have the same looking boyfriends? I swear to god, every single one looks exactly the same. What the fuck is going on?

JEZ, SYDNEY, NSW

TRINITY SAYS: ***And what look is that, exactly? 'Cos I can think of 10 very different-looking boyfriends and husbands of fellow strippers. Everything from nerdy-looking skinny white dudes with no tattoos, to big buff gym heads, to tall black guys, some are even lesbian. So if ya want a stripper missus, you need to chill out, stop complaining and just say so!***

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

INDIAN cricketer Virat Kohli was so busy trying to get into possie for the ideal We Drew A Cock On It photo during this Indian Premier league match that he forgot to catch the fucken ball.

You can see that Virat has adopted the classic W.D.A.C.O.I. stance – face raised, mouth open, hands up ready to stroke the shaft.

All it needs is for one of our talented artists to add the SWOLLEN MEMBER and a geyser of spoof and it's done.

But instead of being a POSER, Virat should've kept his mind on the job at hand, which was to pull in this ball skied off a top edge by David Miller of Kings XI Punjab.

As it happened, he COMPLETELY FUCKED the catch, with the ball bursting through his hands and smacking him square in the gob.

So instead of featuring up the front of the mag in W.D.A.C.O.I., he's been fucked off down the back here to G.U.Y.S.

You'll be happy to know Virat's teeth were all intact, although he was a bit sore around the cakehole afterwards, and had to eat his curry through a straw for a few days.

And all his pissed-off team mates in the Royal Challengers Bangalore side whipped his arse with their wet towels in the dressing sheds and told him to GET UP YA SOOK. ■ Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

LOO-NACY!

HI MUNGO. I saw this sign on the Bloomfield Track between Cape Tribulation and Cooktown. I've become accustomed to seeing fuel, food and beer warning signs but this was something different and for some city slickers I would imagine it to be somewhat ominous.

E.K., KIRWAN, QLD

MUNGO SAYS: Speaking as an urban gentleman, I'd just like to say get fucked. I don't like having to shit where the chance of some huge fucken serpent biting me on the balls is too high. Likewise crocodiles, man-eating spiders or purple death ants. I need shiny porcelain, THE PICTURE to read and something I can spray to hide the smell afterwards. All hail the dunny.

Bush bogs it is then

AND ANOTHER THING...

JUST on what you said last issue about people wasting your time, what about those dickheads when it's 42 degrees out always say: "Hot enough for ya?" Yes cunt, it's hot enough for me, now fuck off and die. Or when you're washing your car and your next door neighbour comes up and says; "Can you do mine next?" like it's hilarious. Some cunts just ought to keep their gobs shut.

M.K., PORT AUGUSTA, SA

MUNGO SAYS: That's a pretty impressive display of cranky cuntiness there, M.K. I must say, I'm impressed. I only wish you'd gone on to mention cunts who say hello, cunts who ask how are you, cunts who send Christmas cards, all those annoying cunts who make life such a cesspit of polite drivel. Fuck 'em all.

Homie is where the heart is

HOMIES 4 EVAH!

I CAME up with an idea you blokes at THE PICTURE might like – a national Home Girls Memorial Gallery in Canberra, where every single Home Girl who's ever been in THE PICTURE is up on a wall and is preserved for all time. There'd have to be thousands of them, and since they were all proud enough of their bodies to go in Home Girls in the first place you'd think they'd be doubly proud to become part of the national heritage. I think it would become a big tourist attraction. And of course you could open it, Mungo.

F.G., CANBERRA, ACT

MUNGO SAYS: Fuck yeah! I see a whole wall of Homie photos permanently etched into stone and lining the streets of Canberra. Better than portraits of stupid fucken politicians. Homies ARE Australia. They define this country – beautiful, naked and horny. This is the best idea since two-for-one schooners on Friday arvo!

UNREAL

HEY Mungo, now that you're a national celebrity isn't it about time we saw you on one of those celebrity reality shows? Which one would you choose – *Dancing With The Stars, Celebrity Apprentice, Get Me Out Of Here I'm A Celebrity* or another one?

L.P., EMU PLAINS, NSW

MUNGO SAYS: The celebrity show I'd like to see, and participate in, is* Celebrities Get Drunk In A Pub And Punch On. *Just gas 'em up and turn 'em loose, and whoever comes out with the most teeth intact wins the showcase – a box of chocolates and a voucher for a Swedish massage. It'd give me a chance to take down some cunts that have been giving me the shits on TV for years.

LITE MILF

I READ that MILF porn is the most popular category after Teen, but in looking at some of the stuff advertised as MILF, I couldn't see anything MILF-y about them, they were just average looking babes of around 30. Shouldn't the porn companies be held to account for false advertising when the MILFs aren't really MILFs? Don't ya reckon, Mungo?

P.M., ALBANY, WA

MUNGO SAYS: Here's a little tip for ya – some of those teens probably aren't really teens, either. Y'see, porn is a funny old world, a world of fantasy and wonder, where sometimes today's schoolgirl is tomorrow's MILF, and vice versa. What's important is that everybody has a lovely time. Let's not ask too much more of porn than that, eh.

Teen or MILF? Who gives a shit

You're Joking

AFTER my accident, I woke up in hospital with a sexy nurse standing over me. She said, "You may not feel anything from the waist down." "Fair enough," I replied, groping her breasts.

ANDY, VIA EMAIL

I PICKED up this girl the other day and she took me back to her house where things got hot and heavy very quickly. I bent her over the kitchen table and started going at it, when suddenly we heard the front door open. "Oh shit , it's my boyfriend!" she exclaimed "Quick, use the backdoor". Now it's at about this time I probably should have left, but you just don't get an offer like that every day.

MARTIN, VIA EMAIL

Q. WHAT'S GREY AND CAN'T FLY? A. A PARKING STATION.

C.E., ARMIDALE, NSW

THE only friction in a happy marriage was the husband's habit of farting loudly every morning when he awoke.

Every morning she would plead with him to stop ripping them off because the smell was making her sick. He told her he couldn't stop, and that it was perfectly natural. She told him to see a doctor – that one day he would blow his guts out. But he didn't stop.

One morning as she was preparing the chicken for dinner and he was upstairs sound asleep, she looked at the chicken guts, went upstairs and emptied them into her husband's shorts.

Her husband woke with his usual trumpeting, which was followed by a blood-curdling scream. The wife rolled on the floor laughing, tears in her eyes. After years of torture, she had got him back bloody good.

About 20 minutes later, her husband came downstairs in his blood-stained underpants with a look of horror on his face. He said, "You always told me I'd end up farting my guts out, and today it finally happened. But by the grace of God and some lube, I think I got them all back in."

WILLY, VIA EMAIL

JOKE OF THE WEEK WINS $100

TWO blokes were out fishing on the lake when a hearse and funeral procession passed the boat on a nearby road. One of them stood up and held his fishing hat over his heart as the hearse passed. His mate commented, "Gee, Harry, that was really nice and respectful!" Harry nodded, a little sadly. "Well, after all, we were married 40 years."

S.E., GLEN IRIS, VIC

A BLOKE walks into a bar and sees three pieces of meat hanging from the ceiling. The guy asks, "What's this about?"

The bartender replies, "Well, if you can jump up and slap the meat, you get free drinks for the rest of the night. If you miss, you pay for everyone's drinks for the next hour. You wanna do it?"

The guy replies, "Nah, the steaks are too high."

M.F., BILGOWLAH, NSW

THE definition of mixed emotions? My mother-in-law driving off a cliff in my new car.

MARK, VIA EMAIL

A BLOKE tells his mate, "There's this new girl that moved in next door. She's drop dead gorgeous, but I can't go talk to her because every time I see her I get a raging boner. Rock hard, every time."

His mate says, "Before you go over, tape your penis to the side of your leg, so if it gets hard, it'll stay out of sight." The next day he comes back, obviously down in the dumps. His friend asks, "So how'd it go?"

"Well, I taped it up and went over to ask her to dinner. You should have seen her. She was wearing a skin-tight dress and you could see every curve of her body, her cleavage and her hair and make-up were amazing."

His mate asks "Yeah? And then what happened?" The bloke replies, "Then I kicked her in the face."

A.N., BOSTOCK, SA

Q. WHAT'S LONG, HARD AND FUCKS KIWIS? A. HIGH SCHOOL.

A.P., MANUKAU, NZ

I ORGANISED a threesome last night. I had a couple of no-shows, but a good time was had.

R.T., BANGALOW, NSW

A MAN and his wife are at a restaurant, and the husband keeps staring at an old drunken lady swigging her gin at a nearby table. His wife asks, "Do you know her?" "Yes," sighs the husband. "She's my ex-wife. She took to drinking right after we divorced seven years ago, and I hear she hasn't been sober since." "My God!" says the wife. "Who would think a person could go on celebrating that long?"

P.W., WAGGA WAGGA, NSW

WIFE texts husband on a cold winters morning: "Windows frozen." Husband texts back: "Pour some lukewarm water over it." Wife texts back five mins later: "Computer completely fucked."

PILL, VIA EMAIL

A COUPLE go to see a counsellor. The counselor says, "So, you two are married, correct?" "Yes," the pair reply.

"And are you having regular sex?" asks the counselor. "Absolutely," they reply,

"So," laughs the counselor, "What is the problem?" "Well, our partners don't really approve."

CLOTHES-FREE ZONE AHEAD!

WHEN she failed her first term of YOONI because she spent too much time out partying, Melbourne spunk Bianca decided she'd do nude modelling instead.

"And I found out I loved it," the 21-year-old stunner told us. "So I've been doing lots of nude and lingerie shoots for the last couple of months."

We think you look better WITHOUT the lingerie!

"Yes, heaps of guys tell me that. I try to keep fit by going to the gym and stuff... But I eat too much junk food and drink way too much beer."

You drink beer?! Marry us!

"I love beer. Especially on

a hot day after I've been at the beach. I'm not nice to be around when I'm hungover, though. I can be a real bitch."

We've heard that ROOTING is a good way to cure a hangover...

"I've tried that and I don't think it's true. Sleep, Panadol and drinking lots of water is the only solution. I will try the sex thing again, though."

Are you getting enough?

"Yes. I met a guy a few weeks back, and the sex is really amazing. We've been doing it three times a day. We can't stop touching each other at the moment."

What does he think about your NOOD modelling?

"He's fine with it. He's into photography and says the shoots I'm doing are really good. He's even photographed

me himself a couple of times."

Your favourite way to be thrown a fuck is...

"Doggy style in any location that's naughty. I love it when a guy bends me over and just does me in a stairwell or a public toilet. I love sneaky sex that's not planned. And I don't really like boring missionary sex."

And how often does the more PUBLIC sorta stuff happen?

"Not enough! I think a lot of guys are too shy to take risks like that. You've got to live out your fantasies and dirty thoughts. I don't want to get old without having had fun."

What's next on the old ROOT list?

"I've never done it in a car, but I'd like to try it. I almost had sex in a cab once when I was drunk."

Is Yasmin Oz's new anal queen?

R

se!

WHEN we got Sydney superspunk Yasmin, 28, on the dog-and-bone, she sounded ALL SMILES. "I'm so glad you called. I'm at the gym, so it's a perfect time to talk!"

GROUSE! What's the area you're working on today?

"My arse. I'm training towards a bigger, better butt."

An admirable GOAL! What's the occasion?

"I'm sort of in training. Training for anal sex."

YASMIN'S GOT BACK

Bloody unreal – who's gonna be the lucky bloke?

"I don't know yet – I've yet to pop my anal virginity, but it will be up on the big screen the first time it happens."

Right, so you're proposing losing your bum cherry on top of a PLASMA TEEVEE?

"No, I'm going back to the US next year to film a whole lot of scenes, including my first anal."

Holy moley. We will do our best to be there!

"Yeah, so that's why I'm at the gym, getting it firm and big. Then on the way home, I'm going to buy a big BUTT PLUG. I'm working out my arse two ways today – outside AND inside."

Your life is just getting better, isn't it?

"Oh my life's pretty good. The weather's getting warmer, and I walk around naked at home all day. I go to the beach most days if it's sunny, and bathe topless. And bottomless too, if no one's around. I've got a huge verandah on my little apartment, so I'm gonna get a Jacuzzi and invite my neighbours."

So how long have you been doing all these lovely ADULT things?

"I'M WORKING ON MY BUTT TO LOSE MY CHERRY"

Made in Oz Girl

"ON THE WAY HOME, I'M GOING TO BUY A BIG BUTT PLUG"

"This is my fifth year. I went to the States for a few months this year, and did some scenes for a few of the big companies, like Reality Kings and Brazzers. So I've got a few things happening."

You'll be just hanging at the gym for the next little while, eh?

"Oh, yes! Ha ha! I wish I could get naked and work out, but I think there's a law against that. You know, in the States the big thing now is Naked Yoga."

OH MY GOD.

"Yeah, it's incredible. I'd like to do the downward dog and see what kind of reactions I get."

Well, if we were there, it'd be a disaster... a big, SPERMY disaster.

"No, it wouldn't! Just bring baby wipes, darling!" ■ Picture

My Worst Fuck

BAD DOGGIE

MY WORST fuck was my own fault for becoming pussy-struck again by my ex, Evelyn, who was a total nutter.

She was a real bunny-boiler, but you put up with it because, like many psycho chicks, she was a wild fuck. Trouble was, by the time I caught up with her again at a mate's barbie, she'd let herself go, and was now a real warthog.

That didn't stop me, though. I had the beer goggles on, and as I got more hammered I forgot all about the times she threatened to kill me and feed my body to her Rottweiler.

Evelyn had this huge, mean dog that would literally kill for her. Yeah, she was the complete package all right. Anyway, even though she'd doubled in weight and seemed to have some sort of skin condition, I just kept thinking about the amazing sex we used to have, and the inevitable happened. We ended up back at hers, rooting with the devil dog lying on the floor next to the bed.

All the zest seemed to have gone out of Evelyn's rooting style, and now she just lay there like a beached whale. Every time she'd whimper or moan, the dog would raise it'd head and growl.

Oh yeah – top root.

I was glad when Evelyn finally started snoring so I could sneak away. But every time I stuck a foot over the edge of the bed, the dog would growl again, and I was sure it'd chew me leg off if I left.

I was stuck there until dawn, when Evelyn woke up, took one look at me and said: "What the fuck are you still doing here?" and held the dog while I got dressed and got out of there. I discovered a short time later that the dog had pissed on my clothes.

UNHAPPY CAMPERS

ONCE when we first went camping my boyfriend and I thought it'd be a hoot to fuck inside a single sleeping bag.

I know it sounds stupid, but we'd had a fair bit of wine so we were sure it'd work. He got in first, and I slithered in facing him and more or less impaled myself on his waiting cock.

To allow for some movement, however, I had to get my legs around him, so I inched them around one at a time so they kind of locked on behind his legs. Then we started fucking – or tried to.

The trouble was every time you pushed in one direction, some bit of the sleeping bag would pull back in the other direction, so you couldn't get any traction at all.

After a while my legs started to cramp up, so I bashed my fella on the shoulder and told him to stop and get out. He stopped all right, but when he went to get out of the sleeping bag, he couldn't because of my legs locked in around him, and I couldn't move them because I was all cramped up. And because we were so crammed in, the zipper was strained tight and we couldn't shift it.

To top it off, we were still drunk and horny, so every few minutes while we were struggling to escape we'd stop and try and root again, but to no avail. Eventually we got enough slack in the sleeping bag to get the zipper open, and we fell out of the thing all sweaty and too exhausted for a proper fuck.

Eventually we learned that camping roots are best done on top of sleeping bags, but we were young then and didn't know.

MY GIRLFRIEND and I thought it would be very sexy to fuck on a nude beach, with lots of people around doing the same thing.

We'd seen stories about beaches in Europe where the swingers go and everyone does it, so we were always on the look-out for a chance. We heard about a secret nudist beach in our area where that sort of stuff happened, so we went there only to find you had to climb down a steep track for about half an hour to get to the shitty little beach. Still, good for privacy, we thought.

We couldn't see anybody else, so we thought maybe we were just the first ones there, so we chucked our gear down and got naked. It took about two seconds before we decided we may as well have a root since we were there, and as my babe went down on me I propped myself up on my elbows to see where all the other sexy nudist couples were.

I didn't see any, but I did see three sets of binoculars pointed at us from the sand dunes, and another further away from a tree beside the track. Then as she climbed on top of my stiffie, I looked further up the beach and saw maybe about 10 blokes perving on us, and eight of those were wanking. I was starting to lose wood by this stage, so I got my girl to lie on her back so I could concentrate on giving her oral, but no sooner had I buried my tongue in her slit when I heard a noise behind and jerked around to find a hairy little bloke standing there grinning and having a tug. "Don't mind me," he said. I fucken did mind, thanks very much. We fucked off to the pub instead.

Sasha, 24, seems like the TIGHT-LIPPED sort, but she can get a fair bit of stuff tucked in there. ***Alright, tell us, spunky – what CAN you fit into your mouth?*** "Fourteen Pringles (without breaking them), 17 marshmallows and my whole fist is what I can fit in! But not at the same time, as that would be weird."

In the Hunter Valley, there's not a lot on offer apart from drinking, fighting and DOING IT. Warrior princess Xena, 24, was happy to share her experiences regarding the third one. ***Where have ya bonked, babe?*** "I've done it at a car wash, at the movies, on the beach. Basically, if it happens, it happens, no matter what the surroundings."

XENA
HUNTER VALLEY, NSW

KJ
MOSMAN, NSW

1386

KJ, 29, is a bit of a WILD CHILD. ***We hear your viewing habits are a tad X-rated...*** "I watch porn maybe five nights a week. The other nights I'm probably out or in bed early. My all-time favourite category is DP. The girl has to have huge tits and I like to hear the guys enjoying themselves. I also love group-sex porn."

Summer Lee, 26, is more than just a sweet homie with a FETCHING SMILE and a tidy smoo. She's also been steaming up the camera lens of late. ***Is this TRUE, Summer?*** "I have been doing a little bit of acting recently. I feature in a few of the sexy scenes on the new *Fat Pizza Vs Housos* movie." ***Those are already our favourite scenes.***

SUMMER LEE
CORNELLS BAY, NSW

1386

ALYSHA ROSE # 1387

SARA # 1390
BRONTE, NSW

Sara's not the sort of sheila to settle for any old multi-person root. The 27-year-old didn't have her first moresome at a 50th birthday bash in Wollongong but at a swanky soiree in Italy! ***Clue us in, Sara.*** "My first group experience took place in Venice at a Madam 'O' party." ***'O' how we wish we'd been there.***

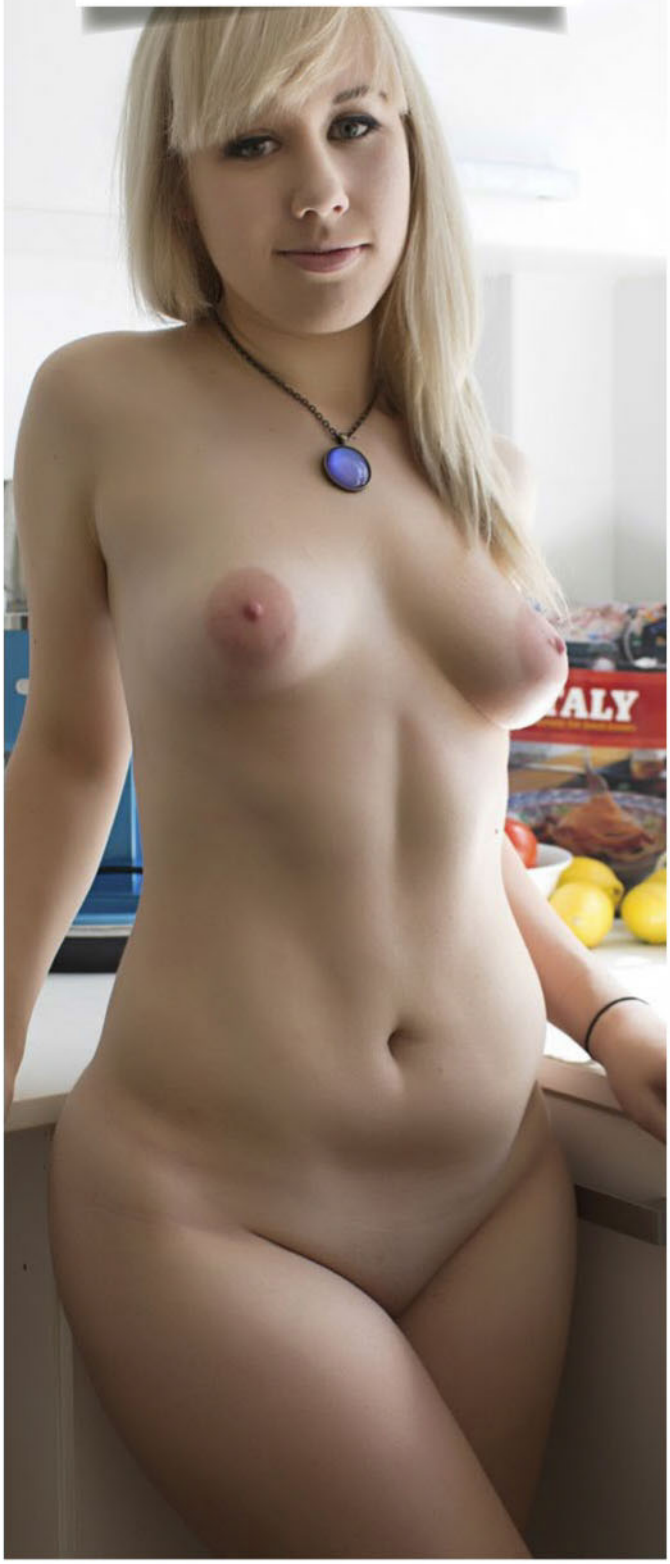
Easygoing 21-year-old Phoenix reveals this was her first time FLASHING FLESH. ***A lot of ladies find the experience LIBERATING. What about you, Phoenix?*** "I decided to pose nude on the spot. It wasn't even planned. I love attention, and I love being naked." ***Well, your naked bits would get anyone's attention!***

PHOENIX # 1369
SYDNEY, NSW

KATHERINE
SYDNEY, NSW

1375

Everybody likes the beach, but Katherine, 21, particularly digs them stretches of sand where it's OK to kit off. ***Can you put the appeal into words, Kath?*** "There is a sense of understanding at nudist beaches where people are all like-minded, in the sense that a body is just a body." ***Some of them are also curvy, blonde works of art, but.***



Just like the song, Evie rocks. She rocks her tatts, her almond-shaped eyes and her FOXY 31-year-old figure. ***We love your tatts! Do you keep 'em under wraps or SHOW 'EM OFF?*** "I'm always nude. I hadn't thought about nude modelling, but I decided to give it a go." ***Not the shy and retiring type, then?*** "I'm not shy – I'm outgoing!"

Jessie, 20, has done the famously tricky long-distance relationship thing AND made it work. ***What was the SECRET of your success, Jess?*** "Whenever I'd get some toys out, I'd get on the computer and make sure my partner knew I was thinking about them. We're always giving advice to the bloke readers, but Sally, 24, has some for the sheilas out there. ***What WORDS OF WISDOM would you like to share with your fellow lasses, Sal?*** "Approach guys as a friend and see how you go from there. That way, there's nothing to lose." ***Except for the fella stuck in the dreaded Friend Zone!***

If Kate, 21, looks comfortable posing in her birthday suit, that's because she is. ***So you're cool with baring all to the nation?*** "I'm not one to think that showing a little boob and butt off is a huge deal. I can only hope the readers enjoy it as much as I enjoyed shooting." ***If they're not turned on by you, they don't have a switch!***

KATE
MELBOURNE, VIC

 # 1375

MINX
MELBOURNE, VIC

1373

"I mostly do artistic nude modelling," reveals 25-year-old Minx. ***We can see a fine example of that right here. But have you ever done anything more OUT THERE?*** "I don't do anything explicit unless it's for my partner, taken by my partner." ***Bugger!***

STORM
BRUNSWICK, VIC

1326

Now here's a Melbourne Storm we're happy to give our full support! ***What's your kink, babe?*** "I like to have sex in unusual places, such as in forests. I don't mind uncomfortable places – we just need a pinch of emotion, and to run away from routine." ***If by "routine", you mean going to work, then we're with ya 100%.***

Whenever Miabelle's not working or socialising, she's usually at home on her trusty LAPTOP. ***What's on your computer that's so interesting? Got any wild street-fight videos?*** "I'd never let anyone near my laptop – it's full of writing and naked pictures." ***Sounds boring. WAIT...what was that about the pictures?***

MIABELLE
MELBOURNE, VIC

VIC Girls

EVE
HIGHETT, VIC

1384

But 26-year-old Eve has no dramas getting in and GETTING OFF. ***Exactly how into these shagfests are you, Eve?*** "I've been to numerous swingers' parties, from the private to the more well known. I love all eyes on me."

Come for the BIG EYES and shapely norks, stay for the talk of flicking the bean... ***How regularly do you take matters into your own hands, Anne?*** "I masturbate very often, and I get very sexually frustrated when I don't. Vibrators are also sexy to use on yourself while someone else is watching." ***Unless it's a VICAR or policeman, obviously.***

ANNE
NORTH MELBOURNE, VIC

1382

EMILY RAY
MELBOURNE, VIC

1384

Funniest thing that's happened to you during rumpy-pumpy, Em? "My cat ripping down the curtains directly above us, and the METAL POLE landing on my forehead and making a 'Doooong!' noise. I ended up with a huge egg. But at the time I laughed it off, saying, 'Silly kitty.'" ***Maybe your moggy was JEALOUS. Is it a Siamese?***

JADE

It's got sweet FA to do with cricket when we say that precious Jade, 21, occasionally bats for THE OTHER TEAM. ***Tell us about a femme-to-femme encounter you've had.*** "I went on a lesbian dating site and met a girl. It was super awkward at first, but I was taught well." ***Yeah, Master Yoda really knows his stuff.***

TAS/ACT Girls

BISOU
HOBART, TAS

 # 1378

Bisou is 26, with a GREAT NAME. It's French for "kiss" – as in a little peck, rather than tongues and stuff. But our little Frenchie doesn't exactly go for chaste romantic shit. ***What do you like most IN BED, Bisou?*** "Oh, I like being with a man who has a huge penis. I love the pleasure of it!"

Charlotte, 28, our scarlet Canberran beauty is mad for a spot of nekkid swimming. ***When do you do it, darl?*** "Whenever I'm on the coast. There's something so Aussie about stumbling your way through DRY BUSHLAND and finding a quiet cove where you can swim naked and wash off the long highway drive."

CHARLOTTE
CANBERRA, ACT

 # 1374

SAMANTHA
CANBERRA, ACT

1369

Samantha, 38, works hard and PLAYS HARDER. ***Describe your bestest weekend, Sam.*** "We played nude poker with kisses. Then we changed couples. I had sex with two men and one girl. It was a very good experience. All natural. The beach, bush, fire, sea, sand and LOTS OF ORGASMS."

LILLY
CANBERRA, ACT

1377

What is it with Home Girls and splashing about in the NOOD? Lilly, 24, is another fan of the (bound to be a) future Olympic event. ***What's the story, gorgeous?*** "I've only been swimming naked once, by myself in my own pool. It's an odd experience, I guess, because you FEEL THE WATER in places you normally wouldn't."

When Myla takes a new lover, she's game for trying NEW STUFF, which you'll agree is a wonderful quality. ***Where's the weirdest place you've boonted?*** "I had sex in a booth in a bar once. It was halfway underground so we could see people's LEGS AND FEET as they walked past the window." ***Sounds romantic...ish.***

MYLA
CANBERRA, ACT

SA Girls

YAS
ADELAIDE, SA

 # 1375

Yummy Yas might only be 21, but she's got a fine rack and wisdom beyond her years. We prodded her for a lot of things, such as the meaning of life and where the most exciting place she rooted was. "Well," she said, "I love sex. I think it's one of the best feelings in the world." ***We ain't gunna argue with THAT, Yas!***

Some girls talk the talk, but they don't always walk the walk. We gave Brooklyn, 27, a bit of a Q&A about life and that, when she volunteered this PEARLER. "The most unusual place I've had sex would probably be in a stairwell in a hospital. You have to be really quiet because it echoes really bad." ***We love you, Brookers!***

BROOKLYN
ADELAIDE, SA

 # 1370

PIPER
ADELAIDE, SA

1380

Our mate Piper here is a joyful spunk of 33, who's well on her way to further glory. Well, her favourite team probably is. Whoever they are. We forgot to ARKSE. ***So what do you really enjoy doing?*** "I am obsessed with soccer and follow the Premier League religiously." ***Ya learn something new EVERY FUCKEN DAY.***

BAILEY
BOWDEN, SA

1388

Bailey, 20, has some beaut ink on her, including the old 'your name' gag. It goes like this: If you meet someone and they tell you their name, you say, "I've got your name tattooed on my arse." When they start blushing, you lift up your skirt and show them. ***What else gives you a kick?*** "When I'm home, I have to catch up on lost sex."

Candice is 21 and stacked. She's also got a thing for hairstyles of the early 1980s, and it's the hair on her NOGGIN we're talking about. ***What's a fantasy of yours, Candice?*** "I want to have sex with a fireman. I love a man in uniform. They're so manly and muscly and hot." ***We've found no evidence otherwise . Fireys don't do it for us.***

CANDICE
EUDUNDA, SA

1369

VANETTA
SEACLIFF PARK, SA

 # 13833

Vanetta is 22 and sweet as can be. But she also has a wild side, if being STARKERS crawling over a pool table didn't give it away. ***What's your ideal date? What do you REALLY want?*** "Going to the strippers while eating pizza would be the best date. Who doesn't like boobs and pizza in the face?" ***NOT US!***

MILEY
FANNIE BAY, NT

1389

Our mate Miley, 22, doesn't go in for licking sledgehammers and shit, but she goes for broke with the girls. "My first girl-girl sex experience was in a threesome. It was a good way as we were all new to the experience. It started off a little awkward, but once the mood was set, it was real enjoyable. I now love licking box."

Butter wouldn't melt in the mouth of innocent looking Rosy, 20, but it'd certainly SIZZLE on those tits. ***What do you enjoy doing?*** "My partner and I are role-playing a lot. I like to be tied up, I like being dominated. I always have. I like you to think you have the power, then I take control. Like a game. It always turns me on."

ROSY
PALMERSTON, NT

RUBY
ALICE SPRINGS, NT

1376

Ruby gets our pulses racing, our palms sweating and our cocks RISING, especially after discovering the 20-year-old BLOODNUT likes experimenting. ***What have you discovered about yourself?*** "The other day I learnt to squirt. My whole life I have always thought only some girls can squirt and others can't." ***You're learning!***

JAQ SPADE
DARWIN, NT

1375

Jaq is 24, and a self-professed LEADER among sheilas. And she doesn't mind setting the blokes straight either. "To describe the meaning of sex is a bit of a contradiction. I'm an alpha female and I will be the leader, leading them to know how sex is defined." ***Geeze, our heads hurt now - both of them. But we'll still follow ya, Jaq.***

Inked up Lexie, 22, is taken and it might take a fair bit of effort to pry her from her current man. ***Tell us about your most recent sexcapades?*** "The other night I came home and my boyfriend was waiting with candles lit and massage oil. But it wasn't his hands he gave me a massage with." ***Shit, this bloke's got GAME.***

GO FACT YOURSELF!

THIS ISSUE: AMAZING DOGS!

01. Katrina, the black Lab, made her name after the New Orleans hurricane. The woofter swam out, latched onto a bloke's shirt and PULLED HIM IN.

02. Barry the St Bernard lived up to his saintly name by saving over 40 climbers who got stuck in the Swiss mountains. He's now STUFFED in a museum.

03. Rottweiler Eve was commended for dragging her paraplegic owner from a burning car, saving her life. Didn't save the car, but. Lazy fucken mutt.

04. Trakr, a German shepherd, took canine grace to a new level during the SHITFIGHT that was 9/11. He and officer James Symington dug through THIRTY FEET of debris to find the last human survivor.

05. Forget Tom Hanks; he had OPPOSABLE THUMBS. Cattle dog Sophie Tucker's the real castaway. She fell off a boat near Mackay, swam 10km through shark-infested waters, and lived on an island for four months eating wild goats.

06. Cairo, a Belgian Malinois, was TOP DOG on the Navy SEAL Team mission that bumped off bin Laden at his Pakistani compound. He even wore body armour on the outing.

07. Jap dog Hachiko, would meet his owner every day at 4pm at the traino. One day, master carked it, but Hachiko couldn't read the obituaries, so he turned up every day for the next ten years.

08. Australia's third most-xfamous ranga, after Nicole Kidman and Fatty Vautin, Red Dog, was a kelpie/cattle cross known for his travels around West Oz in the '70s. He was even a member of various sports clubs, a workers' union and a bank.

09. Buster the springer spaniel was a solid gold HERO. As in decorated, with FUCKEN medals. Buster, who sniffed out improvised explosive devices (IEDs), is thought to have saved over 1,000 lives while serving FIVE tours in the most dangerous parts of the world. He died aged 13, in 2013.
